Sir:

In response to the Office Action dated February 12, 2003, please consider the remarks as submitted herewith.

REMARKS

Claims 1-20 are all the claims pending in the application. Reconsideration and allowance of all the claims are respectfully requested in view of the following.

Reissue Oath/Declaration

The Examiner asserted that the reissue oath/declaration filed with the application is defective because it does not identify the foreign application for patent on which priority is claimed. Accordingly, Applicants submit herewith a Supplemental Declaration for Reissue, wherein the foreign application (JP 07-324657, filed December 13, 1995) on which priority is claimed has been identified.
